Spring Break Warm-Up

Our PTO sponsored "Spring Break Warm-up" on Feb 23 was a success! The DJ, Pizza from Avers, Drinks, Contests and Prizes, were great and the debut of the rock band, "Molly and the Dudes" was loved by all in attendance! Thank you very much to parents who helped with the event!

Watch for info on the next PTO activity, Fri Mar 23; **SWIM NIGHT** at the HS pool!

Colts with Character!

Each month we focus on a **life skill** during a 30 minute session on a Wednesday morning. On March 21, we will focus on **PERSEVERANCE!** At this time of year, nearly three-fourths of the 2017-2018 school year is completed. This is a good life skill to practice the last 9 weeks!

Support for Safe Schools

We have students who want to plan an event to support FL students and others across the nation who are lobbying for action to make schools safer. They have appropriately talked with a teacher who sent them to administration. We will not support a walk out on a nationally announced date that would alert someone we are outside and vulnerable. We will support a day of wearing orange and signing petitions to send to our legislatures. More definite planning will occur after Spring Break!

New Student Group

"**Standing Strong**" will meet every 2 weeks, 2:30-3:30 on Wednesdays to learn about anxiety and how to cope, overcome or control it.

Students of the Month

Congratulations to these students who practice being exceptional Colts!

6 – Kathryn Anderson and Charles Martin

7 – Addison Keller and Hayden Wilson

8 – Ellie Wooden and Matthew Krebbs
