## Welcome Back!

Welcome back for the 2017-2018 school year! It seems like it was just last week that we were sending your children off for Summer Break. Our custodians have worked diligently this summer to get the facilities shined up and our teachers participated in various professional development to strengthen their instructional strategies. The school year promises to be a memorable one and we thank you for entrusting us with your most prized possessions each day.

If you have not logged onto Harmony to complete the enrollment process, please do so at your earliest convenience. We need to make sure all forms are complete, addresses and phone numbers are up to date, and dismissal plans are set. You also need to reapply for Free/Reduced lunch and fees each year, so please log onto Harmony to do this. You may pay for textbook fees online or by writing a check in the main office. Those of you who ordered supply kits, they will be waiting for your children in their classrooms on the first day. Those who did not order kits may access our supply lists on our SES webpage or through this [link](#).

If you have any questions about bus transportation, please contact our transportation director at 812-876-7100.

## 2017-2018 Corporation Theme

Our corporation theme this year will be “Rock Stars.” This will tie in nicely with Schoolhouse Rocks, School of Rock (movie coming out), and rocks in our STEAM programming. We hope to bring out the rock star in all of our students this year!

## 2017-2018 Daily Schedule

For those of you new to RBB or Stinesville, we have a “delayed start Wednesday” each week. This allows our teachers to engage in professional development. Buses will run on a 30 minute delay. We do provide free childcare on Wednesdays via Latchkey during this time, from 8:15-9:05. Please notify our Latchkey Director, Tiffany Pope, at [tsummitt@rbbsschools.net](mailto:tsummitt@rbbsschools.net) Latchkey is also available before and after school for a fee. Please pick up a form in the office for additional information.
