Mrs. Debra Merry

Mr. Larry Thrasher

Mr. Randall C. Wright

### VISION

Living, learning and leading together to achieve 90, 90, 90.

### MISSION

Our mission is to work in cooperation with the community and families to provide students with an education that promotes responsible citizenship and encourages problem solving and creativity.

Hello,

We invite you to help us continue to make things happen in the Richland-Bean Blossom Community School Corporation. In the words of Henry Ford, we need individuals who "have an infinite capacity for not knowing what can't be done".

An exciting partnership has been created between Richland-Bean Blossom Community School Corporation and members of our community. Like many other school districts across the country, we have formed a school health council. The purpose of the council is to bring together individuals and groups from our community to address issues affecting the health and well-being of our children and families. We welcome your participation, it is vital to our success.

We have quarterly meetings each school year. School year 2016-2017 meetings are September 8<sup>th</sup>, December 6<sup>th</sup>, March 7<sup>th</sup> and May 9<sup>th</sup>. The 45-minute meetings begin at 3:00 p.m. at our Edgewood High School located at 601 S. Edgewood Drive, Room C115A. We hope you will accept this invitation to attend. If you plan to attend or have questions about the council, please contact Vickie Coffey, the Nutrition Services/Healthy Schools Director, 812-876-7805 or via email at [vcoffey@rbbschools.net](mailto:vcoffey@rbbschools.net)

We believe more can be accomplished together than alone. The complex social problems our young people face require a united effort if we are to improve the quality of life for children and families living in the school district. Please join us to make our community and schools more positive, health-promoting places to live, lead, and learn.

Sincerely,

Vickie Coffey

Nutrition Services/Healthy Schools Director
